FOR IMMEDIATE RELEASE

ADVANCED DATA PROCESSING, INC. ANNOUNCES JOSEPH McCLOSKEY AS VICE PRESIDENT AND PRIVACY OFFICER

MIAMI, FLORIDA. April 1, 2003. Advanced Data Processing, Inc. ("ADPI") is pleased to welcome Joseph McCloskey who joins ADPI as Vice President and Privacy Officer. Mr. McCloskey will direct ADPI's compliance program, including the implementation of HIPAA requirements, and will have overall responsibility for operations quality management and training.

Mr. McCloskey brings to ADPI over 25 years experience in medical billing, including Regional Manager with Per Se Technologies, Inc. in its Physician Services Division. He was also a founder and principal of Consolidated Medical Services and managed the Physician Division of Shared Medical Services. Mr. McCloskey began his healthcare career with a Medicare Intermediary and Carrier where he was a Director in the Medicare Program.

Mr. McCloskey holds a Masters of Healthcare Administration Degree from Long Island University and is one of only 230 professionals holding a Certification in Healthcare Compliance from the Healthcare Compliance Association. Mr. McCloskey is also a Certified Healthcare Billing and Management Executive.

Doug Shamon, President and Chief Executive Officer of ADPI commented, "Joe McCloskey brings a wealth of experience in and knowledge of medical EMS billing to ADPI along with excellent credentials in compliance. He will be an important part of our executive management team as we strive to set the industry standard in EMS billing. We are very pleased to attract such a high caliber individual to further strengthen our management team."

About Advanced Data Processing, Inc.

Advanced Data Processing, Inc. specializes in billing and accounts receivable management services for cities and counties that provide 9-1-1 emergency and other non-emergency ambulance services. ADPI is the largest single specialty EMS billing company in the US serving 43 communities in three states with a combined population of over 8 million residents.
