**INTERMEDIX CORPORATION ACQUIRES  
HRA MEDICAL MANAGEMENT, INC.**

Fort Lauderdale, FL - Intermedix Corporation, the leading provider of technology-based business services to emergency providers, announced today it has acquired the assets of HRA Medical Management, Inc. ("HRA") of San Diego, California.

HRA has provided emergency physician and hospitalist billing services to medical practice groups for more than 15 years and currently serves clients in California and Nevada. The business was founded in 1993 by James A. Packer, M.D., FACEP and has expanded its operations through extraordinary client service and building longstanding relationships.

Doug Shamon, CEO and President of Intermedix Corporation commented, "We are extremely pleased to welcome the people and clients of HRA to Intermedix. This acquisition allows us to continue our commitment to providing unparalleled technology enabled business services to emergency department practice groups in California and the Western United States. It also extends our reach into providing those same high quality services to hospitalists physicians and expanding our presence in this very important part of the market."

Ken Goodin, President of the EPBS division of Intermedix added, "The people of HRA have a longstanding history of providing high quality, professional services and share our philosophy of exceeding client expectations. Together we will be able to provide new resources, technology and expertise for our clients and their patients."
